Miss Sharmila Singhai, counsel for the respondent.

The revision is against the order dated 19-05-1990 passed by the Special Judge in M.C.C.No.48/1989. By the impugned order, the prayer made by the appellants for release of the seized rice bags has been rejected and while rejecting the said prayer, the Court has held that so far as the price of 60 bags of rice is concerned, the same will be determined by the Collector and the applicant can approach the Collector.

Having thus considered the facts and circumstances of the case, material on record, in the opinion of this Court the learned court below has not committed any jurisdictional error warranting interference by this Court. However, the appellants may submit an application along with a copy of this order before the Collector regarding price determination and in case such an application is submitted, then the same will be considered by the Collector as early as possible preferably within six weeks from the date of receipt/production of a copy of this order .

Appeal is ~~dismissed~~ dismissed with the aforesaid direction.
